

IN THE CIRCUIT COURT FOR THE FIRST JUDICIAL CIRCUIT

Administrative Order Number: 10-2-10

Amends Administrative Order Number 09-7-15

Implementing a Filing Fee to Establish a Dispute Resolution Fund in the First Judicial Circuit of Illinois

The Court of the First Judicial Circuit has previously recognized the Dispute Resolution Institute, Inc., as an Illinois Not For Profit Resolution Center, pursuant to Illinois Revised Statute, Chapter 710, Act 20, the Illinois Not-For-Profit Dispute Resolution Center Act and previously has ordered that a Dispute Resolution Fund be established to support the court related activities of qualifying dispute resolution centers pursuant to Illinois Revised Statute, Chapter 710, par. 20/3 (b)(1) and (2).

Quarterly disbursements from the Dispute Resolution Fund in the First Judicial Circuit will help support the delivery of mediation and other dispute resolution services to litigants in the First Circuit who cannot afford to pay for private mediation services and will assist existing Not-For-Profit Dispute Resolution Centers such as the Dispute Resolution Institute, Inc., in seeking additional funding through grants from state, federal and private organizations.

WHEREFORE IT IS ORDERED:

Quarterly grant disbursements will be made from the Dispute Resolution Fund to the Dispute Resolution Institute, Inc., until the Court orders otherwise, so long as the corporation remains qualified for funding under the Not-For-Profit Dispute Resolution Act of the Illinois Revised Statutes, Chapter 710, Act 20. The Chief Judge of the First Circuit shall determine the date for the quarterly fund disbursements to be made.

All funding disbursed by the Court from the Dispute Resolution Fund to The Dispute Resolution Institute, Inc., shall be used to support the provision of conflict resolution services in the nine counties of the First Judicial Circuit.

Entered this 10 day of FEB, 2010.
